MARK YOUR CALENDARS!

**SARWP's OPERATOR TRAINING and ANNUAL SEMINAR will be held:
TUESDAY, DECEMBER 9th & WEDNESDAY, DECEMBER 10th, 2025 at the
PARK TOWN HOTEL in SASKATOON!**

Our annual seminar provides valuable information to Board Members and Operators! Topic presentations from past seminars have been: Water Security Agency Update, line locates, SaskWater updates, OH&S updates, rural pipeline associations, Operator's Certification Board and many more!

Operator Training will take place all day **Tuesday, December 9th**. This training typically offers 0.6 CEU's.

We will also work with ClearTech to offer equipment calibration again this year on December 9th.

Last year we offered an Administrator Training Session with Advanced Municipal Solutions. This was a very informative round table discussion that allowed Administrators to ask questions and gain knowledge.

SARWP is always looking for great vendors you would like to see at the seminar. If you know of an organization that would be interested in being an exhibitor, please have them email us at infor@sarwp.ca.
